Family and Consumer Sciences Content Mastery

Must have a 3.0 GPA in content mastery courses; all content mastery courses must be taken on the A-F grading basis (no S/Uing). These courses are listed with the intention to guide students to courses to meet the FACS National Standards. Students will most likely be earning a degree in HDFS, Nutrition (Dietetics or food systems management, DHE, or Public Health. Experiences in these areas are highly valued and may be considered in place of course work.

The more courses you take in each area the more you will be able to teach with confidence, there are many more courses in apparel, foods, culinary arts, human development that will help your teaching. Seminars, work experience and course work at other schools are encouraged.

*means this course is a BACC course
+ means this course is online only at the time this form was produced

If you have questions about this form or the Family and Consumer Sciences endorsement, please Sara Wright, 541 737-2966 sara.wright@oregonstate.edu for further information. For questions about the Double Degree program, please contact College of Education Student Services, 104 Furman Hall, 737-4661.
